

## Extended Warranty

The Freedom Store Canada offers extended warranties of 1, 2, or 3 years on some of the products it carries. This document explains the details of the extended coverage. These conditions and coverage are the same regardless of the length of the warranty you choose for your product.

- 1. Coverage.** The extended warranty covers defects in manufacturing and functionality of the product only to the original purchaser. If during the warranty period the product ceases to work due to a defect beyond the user's control, the product will be repaired or replaced at The Freedom Store's sole discretion. This warranty does not apply to damage due to misuse, abuse, neglect, alteration or if the Processing Unit has been opened or taken apart. Warranty does not apply to the use of any unauthorized attachment or damage caused by use of an electrical circuit not specified on the product. This warranty does not cover peripheral consumables such as cartridges or brush heads. These attachments carry a separate 1 year manufacturer's warranty.
- 2. Time Period.** This warranty covers products after the expiration of the manufacturers warranty only. Purchase of a 1 year extended warranty covers the product for 1 year after the manufacturer's warranty runs out. Purchase of a 2 year extended warranty covers the product for 2 years after the manufacturer's warranty runs out. Purchase of a 3 year extended warranty covers the product for 3 year after the manufacturer's warranty runs out.
- 3. Discontinuation of Product.** If a product is discontinued for whatever reason, the Freedom Store reserves the right, in the case of product replacement under this warranty, to replace the defective product with another product of equal efficacy. If no such product exists, the Freedom Store will refund the warranty fee on a pro rata basis.
- 4. Returning Product for Warranty.** The purchaser is responsible for returning the defective product to The Freedom Store at his/her sole expense. Purchaser must contact The Freedom Store prior to return to arrange the return. Products returned to The Freedom Store without prior arrangement will not be processed for return.
- 5. Administration.** This extended warranty is covered and administered exclusively by Arthur Ranney Inc. O/A TheFreedomStore.ca and not the manufacturer of the product.
